The International Fraternity of Phi Gamma Delta

Re: Chi Lambda Colony of Phi Gamma Delta

Dear Brothers,

As the Purple Legionnaire for the Chi Lambda Colony of Phi Gamma Delta at the University of California San Diego, it is my great honor to ask for your support in admitting these fine young men into our fold as our newest Chapter.

I have been privileged to serve for the past year and a half as Purple Legionnaire, and in that time I have seen a group of committed young men build a highly successful Colony from the ground up. They have risen to every challenge with the goal of not only becoming a Chapter in Phi Gamma Delta, but becoming one of the very best Chapters in our beloved fraternity. Our goals and expectations for the FIJI men of UCSD do not end with chartering, they extend far beyond as we continue to build a strong foundation for our future in San Diego.

The foundation for all of these successes is the strong tie of brotherhood that has developed over the past two years. From our humble beginnings as an interest group of just a few committed young men to our current Colony of 67 men, it has been persistence, teamwork and an attitude of supporting one another has given us the edge we need to become one of the most successful fraternities on campus.

The four points of the diamond outlined in the accompanying charter petition are: Recruitment, Scholarship, Finance and Campus Involvement. I would like to draw your attention to a few key items that embody the commitment of these young men to become a chartered Chapter in Phi Gamma Delta.

- Recruitment
  - One of the largest pledge classes on campus every quarter!
  - 95% retention rate from pledges to initiated brothers!
- Scholarship
  - GPA over 3.0 for the last 3 pledge classes!
  - 85% of our delta class received the AAA scholarship!
- Finance
  - Lowest dues on campus!
  - Novel fundraising ideas including FIJI surf lessons!
- Campus Involvement
  - Over 500 hours of community service!
  - FIJI is represented on over 40 student groups on campus!

Please join me in supporting these young men in their pursuit to become fully initiated brothers in Phi Gamma Delta. I welcome any questions or concerns and I can be reached at [jchibuk@hotmail.com](mailto:jchibuk@hotmail.com) or (858)431-6984.

Fraternally,
